**Outreach Initiatives for the period
November 30, 2014 - December 1, 2015**

1. Participated with the Georgia Association of Broadcasters Scholarship program. We made a financial donation as well as promoted the scholarship to our community.

2. We cosponsored a job fair with our local Chamber of Commerce. We promoted the job fair as well as attended it.

3. We attended and participated in resume day with the Cherokee County Chamber of Commerce. This event is where potential job seekers come and get help with their resumes. We attended it as well as promoted the event to the community looking for employment.

4. We participated in our local Chamber's "Career Day". This is where we went and spoke to the middle school students about careers in broadcasting.
